

Are you eligible or know someone who might be?

Weatherization Assistance Program

The Weatherization Assistance Program (WAP) helps low-income households reduce energy costs by making homes more energy efficient, while also improving health, comfort, and safety. WAP is here to support Virgin Islands families and create healthier, more comfortable homes for everyone.

Priority is given to:

- **Seniors** (elderly residents)
- **People with disabilities**
- **Households with high energy bills**
- **Families with children under 5 years old**

If you are eligible for this program, your home may receive energy-saving upgrades at no cost, such as:

- Air conditioner upgrades
- Energy-efficient light bulbs
- ENERGY STAR® refrigerators
- Hot water heater timers
- Low-flow showerheads and faucet aerators
- Other approved energy-saving improvements

Participants in **SNAP, TANF, Medicaid, or LIHEAP** may automatically qualify (verification required).

You'll also receive **easy-to-understand tips and educational materials** to help you save energy and keep your utility bills low.
