

Are you eligible or know someone who might be?

The Virgin Islands Energy Office Weatherization Assistance Program (VIEO WAP) reduces energy costs for low-income households particularly for the elderly, people with disabilities, high energy burden, and families with children under 5 years old, by increasing the energy efficiency of their homes, while ensuring health and safety.

What can VI WAP do for you if you are eligible?

If eligible for this program, you may have your inefficient household appliances replaced with energy efficient lightbulbs, ENERGY STAR refrigerator, Air Conditioner, Hot Water Heater Timers, low-flow showerheads, aerators, and other approved items. You will also receive educational material on how to keep your energy burden low.

2026 Weatherization Income Limits		
Family Size	200%	
1	\$ 39,900	Household income should fall below the 200% poverty levels.
2	\$ 54,100	
3	\$ 68,300	
4	\$ 82,500	For weatherization at 200% of poverty level, add \$14,200 for each additional person. (https://aspe.hhs.gov)
5	\$ 96,700	
6	\$ 110,900	
7	\$ 125,100	
8	\$ 139,300	

You may be automatically eligible to apply if you are currently a part of other supplemental government programs, such as SNAP, TANF, Medicaid or LIHEAP (verification documents are required).
